

# Clinical Foundations in Implant Dentistry

Three-Part Course

28 & 29 October 2022

21 January 2023

3 & 4 March 2023

This three-part course is for practitioners wishing to acquire knowledge and clinical confidence in the treatment planning, surgical placement, and restoration of dental implants. This course will enable the participants to make evidence-based decisions, successfully assess, treat and care for patients requiring dental implants.

Banora Family Dental &  
Implants, 8/21-25 Amaroo Dr,  
Banora Point, NSW 2486

All Friday & Saturday  
sessions:  
9am to 4pm

Early Bird Pricing \$5000  
Regular Pricing \$6000  
(Price incl. GST)

- Day 2 Clinical: Implant impressions & Crown insertion and clinical discussion.

## Dr Demetrio Pina Neto

BDS (BRAZIL) Perio Specialist (BRAZIL)

Demetrio is a compassionate and multi-talented dentist. He hails from Brazil where he gained his initial qualification in dentistry from the Sao Paulo City University in 2002. Since then, Demetrio has undertaken postgraduate training in Periodontics, Oral Surgery, Dental Implants, and Restorative Dentistry.

Demetrio has a passion for teaching and is committed to engaging with his colleagues and helping them better the lives of their patients. Having worked with many different implant systems he is proficient in providing patients with expert treatment and helping dentists feel confident in delivering implants as options in their practice.
