Aesthetic Healing: Sail to Implant Success

Join us at the Manly Marina for a day of leisure and learning.

Hosted by Neoss, the day will include a mixture of presentations, complimentary lunch, dinner and a sailing trip with on-board charcuterie platters.

“Building the bone to support an aesthetic case” – Nigel Johnson

“Navigate aesthetic risks with the ERA...a tool for sailing into success” – Marina Kamel

“Digital Implant Planning” – Rachel Hsieh

“Implant-Supported restorations for aesthetic cases” – Jamie Foong

Intelligent Simplicity

Dr. Nigel Johnson

BDS (Hons), MBBS, MPhil (Surgery), FRACDS (OMS)

Dr Nigel Johnson is an Oral and Maxillofacial Surgeon who practises the full scope of the speciality. Dr Johnson holds the following University of Queensland qualifications: Bachelor of Dental Science (BDS (Hons)), Bachelor of Medicine, Bachelor of Surgery (MBBS) and Masters of Philosophy (MPhil Surgery). Dr Johnson undertook his speciality surgical training in Queensland and is a Fellow of the Royal Australasian College of Dental Surgeons in Oral and Maxillofacial Surgery, FRACDS (OMS). He has authored numerous papers in international journals and presented at international and national conferences. Dr Johnson is appointed at

the Princess Alexandra Hospital as a Consultant in Oral and Maxillofacial Surgery and is the Senior Lecturer in Oral Surgery with the University of Queensland Dental School. University of Queensland Dental School.

Dr. Marina Kamel

BDS (Otago), FRACDS (GDP), DClinDent (Perio), MRACDS (Perio)

Dr Marina Kamel is a Brisbane-based periodontist at Westside Perio & Implants. She completed her Bachelor of Dental Surgery with Distinction at Otago University in 2012. She obtained a Doctor of Clinical Dentistry (Periodontics) and specialist training in implants at Sydney University in 2019. She is a fellow of the Royal Australasian College of Dental Surgeons (FRACDS) in general practice and has membership (MRACDS) in Periodontics. Dr Kamel is the President of the Australian Society

of Periodontology and Vice President of the Australasian Osseointegration Society in Queensland.

Dr. Rachel Hsieh

BSc, MBBS (Hons), BOralH, GDipDent, FRACDS(OMS)

Dr Jen-Ti (Rachel) Hsieh is an oral & maxillofacial surgeon with dual qualifications in Medicine and Dentistry. She completed her medical degree at the University of New South Wales with honors and her dental degree at Griffith University. She then undertook specialist surgical training at various hospitals across Queensland and was awarded the Fellowship of the Royal Australasian College of Dental Surgeons in Oral and Maxillofacial Surgery, FRACDS (OMS).

Dr Hsieh is a consultant oral & maxillofacial surgeon at Woolloongabba Oral Health Centre and Logan Hospital. She practices the full scope of oral & maxillofacial surgery.

Dr. Jamie Foong

Dr Jamie Foong completed his undergraduate dental degree at the University of Melbourne and worked as a general practitioner in a Brisbane CBD prosthodontic and general practice for several years. He returned to Melbourne to complete a specialist degree in Prosthodontics and as part of his thesis for his doctorate, he investigated the mechanical properties of zirconia and titanium implant abutments. Jamie worked in Melbourne CBD for several years and returned to Brisbane to open Specialist Prosthodontics. He saw the benefit of a multidisciplinary approach to patient care and works closely with many specialists in Brisbane to deliver the best possible dental care

for patients. Jamie has a keen interest in digital technology, implant-supported restorations and ceramics. Jamie is involved in teaching at several Australian dental schools (University of Queensland, University of Melbourne) as a visiting lecturer and clinical supervisor. He is a member of the Academy of Australian and New Zealand of Prosthodontists, the Australian Dental Association, President of the Australian Prosthodontic Society, and a fellow of the Academy of Dentists International. Jamie is a Key Opinion Leader (KOL) for several leading dental companies.
