

From the eyes of a Periodontist and Prosthodontist

# IMPLANTS IN THE WILD

With Dr. Scott Davis and Dr. Rajiv Verma

8 & 9 July 2022

Join us at Taronga Western Plains Zoo for a unique learning experience.

Enjoy hands-on lectures with action-packed social breaks. And yes that does include a Zoofari tour! (You can even bring the family.)

Attendees will be guided through treatment planning, case selection, and decision pathways, while gaining valuable knowledge in soft tissue management, surgical techniques, Perio-control, the staged treatment process, and much more! With hands-on experience in the complete process, from placing implants to scanning, this course is the complete package.

At the end of each day, there will be an interview-style Q&A with the speakers where attendees get the opportunity to ask specific questions.

Taronga Western Plains Zoo,  
Savannah Function Centre,  
Obley Rd, Dubbo NSW 2830

Day 1: 12:00 - 19:30
