Perth Implant Study Club

With Dr. Tony Strangio
and Guest Speaker, Dr. Ken Wan

Come along to our thought-provoking Implant Study Club evening in Perth, Western Australia. Study Club is a place clinicians can come together in a relaxed and informal setting to discuss cases, treatment plans, successes, and failures.

Join Dr. Tony Strangio and Guest Speaker Dr. Ken Wan while he presents on:

- Osseointegrated implants in the head and neck cancer patient
- Implants and bone grafting in irradiated fields
- Zygomatic and pterygoid implants

All attendees are welcome/ encouraged to bring a case for discussion

Dr. Tony Strangio

BDS (UWA), MSc (University of Frankfurt – Master Oral Implantology)

Dr Strangio graduated from the UWA in 1993 with a Bachelor of Dental Science. He first became involved in implant dentistry in 1996 at the Branemark centre in Western Australia. He completed his primaries for the Royal Australian College of dental surgeons in 2006 and was awarded commendation; he then obtained his Masters in Oral Implantology in Frankfurt, Germany in 2013.

Tony is currently a research fellow at the International Research Collaborative – Oral Health and Equity (IRC-OHE) group based at the Department of Anatomy, Physiology and Human Biology at UWA. He has lectured extensively in the field of implant dentistry and was involved as a lecturer at the Oral Health Centre of Western Australia from 2002-2004 in the field of exodontia. He is also a member of the ADA, Australian Society of Periodontology (ASP), Australian Society of Prosthodontics and co-founder of the Academy of Dental Implantology and Oral Rehabilitation (ADIOR) centre where dentist with a special interest in dental implants and oral surgery are able to come together to deliver lectures and workshops in several courses related to implantology. He is the current WA president of the Australian Osseointegration Society (AOS) and his research interests focuses on the simplification of implant surgery.

Dr. Ken Wan

Oral and maxillofacial surgeon. Maxillofacial head & neck oncology and reconstructive surgeon. MBBS(1stHons), BDS (Hons), FRACDS(OMS).

Dr Ken Wan practises privately (West Perth Oral & Maxillofacial Surgery) and publicly (Fiona Stanley, Royal Perth & Fremantle Hospital). He completed his dental, medical and oral & maxillofacial surgery training in Perth. Upon receiving his FRACD OMFS in 2017, he went on to complete 3 further years of post-fellowship training in maxillofacial head and neck oncologic & reconstructive surgery and advanced osseointegrated implant techniques in Shanghai, Minneapolis and Brisbane. Ken is involved in the training of OMFS trainees and practises the full scope of oral & maxillofacial surgery with a special interest in oral cancer treatment and microvascular free-flap reconstruction of the head & neck.
