PRESENTERS

Dr. Adrian Hoffman

BDS(Syd), FDSRCS(Eng), MDS(Chd), FRACDS(Perio)

Dr. Adrian Hoffman is a specialist periodontist and the principle of "Pacific Periodontics & Implants" located at Tugun, Gold Coast and Ballina, NSW. Adrian graduated in dentistry in 1994 from the University of Sydney where he was elected President of the Dental Undergraduate Association. He attained experience in Oral Surgery, Oral Medicine and Prosthodontics in UK from 1996-2000 and attained his Fellowship of the Royal College of Surgeons of England. He completed his specialist training program in Periodontics at the University of Queensland in 2001-2003. Adrian has a particular interest in mucogingival root-coverage surgery of natural teeth and soft tissue aesthetics around dental implants.

Dr. Keith Doonan

B.D.S (Lond) M.Clin. Dent (Pros), FRACDS

Dr. Keith Doonan received his BDS in 1993 from Royal London Hospital Dental School where he graduated as the Dental Society President. He later received his Masters in Prosthodontics from Kings College London and is a fellow of the Royal Australasian College of Dental Surgeons and was a part-time visiting Senior Lecturer at the University of Queensland Dental School. In addition, Keith is a faculty member of DPL Educational services accredited to deliver DPL workshops on communication and interpersonal skills to dentists. He is also a qualified actor engaged in short films, stand up comedy and theatre. He currently lectures on dental implants, Prosthodontics and communication skills and maintains a private practice in Brisbane City Centre and the Sunshine Coast. Keith has mentored a number of dentists with practical 'hands on' supervision in regards to all aspects of Implant dentistry.

Dr. Maziar Tavazoei

DMD DClin Dent(Perio) MCRADS(Perio)

Dr. Maziar Tavazoei is a registered specialist Periodontist. He graduated from dental school with a doctor of medical dentistry (DMD) degree in 1998. Soon after graduation, he started a residency program in restorative dentistry at Mashad dental school. He passed the Australian Dental Council exams with ease and worked as a restorative dentist in central Queensland for some years before going back to University for the third time, to complete a three years specialist training program in Periodontics and Dental Implants. Maziar has been involved in implant dentistry since 2002. Dr. Tavazoei has been involved in teaching and supervising roles at Griffith University, working with both undergraduate and postgraduate students.

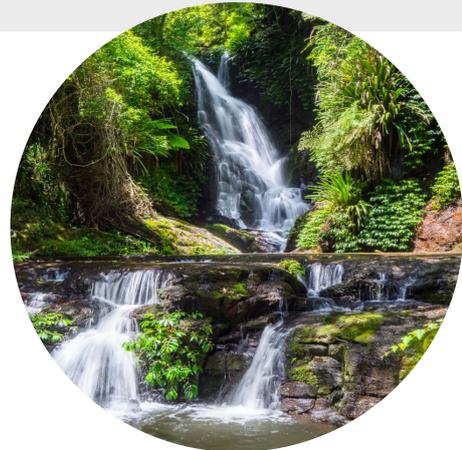

Dr. Tarun Nagrani

BDS D Clin Dent (Prosthodontics)

Tarun attained his Bachelor of Dental Surgery degree in 1997 and worked as a General Dentist with a passion in Prosthodontics. This led him to seek masters course in Prosthodontics from University of Sydney in 2010, where he twice received the International Merit Scholarship Award. He started his own specialist referral based Prosthodontic practice in Tugun, QLD and 2 more branch locations in Coomera QLD and Ballina, NSW. He has a passion for sharing his knowledge and also enjoys the role of part time clinical supervisor at Griffith University one day/week. He has given lectures on various Prosthodontic topics for the ADA NSW meetings and at Griffith University. His special areas of interest are treatment of worn dentition and Implant Prosthodontics. Tarun is a member of the Australian Dental Association, International team of Implantologist (ITI) and the Australian Prosthodontic Society. He holds the position of secretary for the Australian Dental Association Far North Coast NSW division.

Your registration includes:

- ✓ Dinner (Friday & Saturday night)
- ✓ Buffet Breakfast (Saturday morning)
- ✓ Packed Lunch (Saturday)
- ✓ 4x Lecture Sessions (Friday & Saturday)

Not sure what you want to ramble about - here's a few ideas...

- > Implant placement
- > Basic principles of implant dentistry
- > Surgical techniques
- > Patient selection
- > Osteotomy preparation
- > Atraumatic extractions
- > Implant placement in extraction sites
- > Extraction socket augmentation
- > Flap designs and suturing techniques
- > Significant anatomy

We don't want any 'tumbles' so here's some important notes:

The Box Forest Circuit is a 10.9km level 4 hike. Please only complete the hike if your health and fitness permits. You should also bring proper hiking shoes, water, sunscreen, hat and any other essentials you think you may need.

Seriously though if you come on our Ramble then you do so at your own risk! Please sign the waiver on our registration page - it's a condition of registering.

Accommodation

Your place to sleep - but you need to book direct.

We have secured a special conference rate at O'Reilly's Rainforest Retreat in the Mountain View Room at \$250/ night (min. 2 nights stay).

Contact O'Reilly's directly on 1800 688 722 and use code NEOSS22 to redeem.
