### Dr. Mark Elliott

B.D.Sc (Hons) (Qld) Cert Prosth MS ( Marq U)

Mark graduated B.D.Sc with Honors from UQDS in 1983. After several years in private practice he commenced specialist training In Prosthodontics at Marquette University in Milwaukee, USA achieving a Certificate in Prosthodontics in 1989 and a Master of Science Degree in 1993. On return to Australia Mark worked several years as a Clinical Teaching Registrar at the UQDS before returning to full-time private practice at BOH Dental. Mark still works full-time in private practice

and continues to provide complex fixed, removable, and implant prosthetic services to people of all ages. Mark is a registered specialist in Prosthodontics with AHPRA and maintains membership of the Australian Dental Association, the Australian and New Zealand Academy of Prosthodontics, the Australian Prosthodontics Society, the International College of Prosthodontics and the Academy of Osseointegration. Mark enjoys the pursuit of new evidence-based treatment modalities to deliver the most up-to-date care to his patients. He enjoys mentoring dentists in comprehensive aspects of patient focused care within the discipline of prosthodontics and restorative dentistry.

### Dr. Stephen Robinson

BChD(Hons) M.D.Sc MFD RCS(Irel) FDS(Rest Dent) RCS(Irel)

Stephen graduated from the University of Leeds in 1998. He worked in general dental practice and in several hospitals in the Yorkshire region while completing a Membership in Dental Surgery from the Royal College of Surgeons. In 2004 he entered specialist training in Restorative Dentistry at Leeds Dental Institute and underwent a 5 year training programme in multi-disciplinary Restorative Dentistry. On completion Stephen registered with the General Dental Council

as a specialist in Endodontics, Prosthodontics and Periodontology and worked as a Consultant in Restorative Dentistry. Stephen has a particular interest in the dental rehabilitation of patients suffering from Head & Neck cancers, trauma and developmental disorders. He combines his practice at BOH with membership of the Royal Brisbane Head and Neck cancer team and a part time senior lecturer position at the University of Queensland. Stephen is a member of the Australian Prosthodontic Society, the Australian Osseointegration Society, the British Prosthodontic Society and a local study group for recent graduates. Stephen has been involved with the delivery of postgraduate courses and lectures both in the UK and Australia and has published several articles on advanced restorative techniques.

### Dr. Alana Evans

B.D.Sc, MPhil, DClinDent (Pros), MRACDS (Pros)

Alana graduated from the University of Queensland, completing a Bachelor of Dental Science in 2012. Alana gained experience in government clinics across Southeast Queensland before joining the BOH Dental team in January 2013 and practiced as a General Dentist for several years. In 2017, she was accepted to study a Doctor of Clinical Dentistry (Prosthodontics) and graduated in 2019 with full registration as a Specialist Prosthodontist. Following her training, Alana rejoined the group

at BOH Dental where she currently works full-time providing complex fixed, removable and implant prosthodontic services. Alana also holds a Master of Philosophy (Dentistry) from the University of Queensland. She is a member of the Australian Dental Association, the Australian Prosthodontic Society, the Australian and New Zealand Academy of Prosthodontics, the International College of Prosthodontics and the Royal Australasian College of Dental Surgeons (Pros). She has published several articles in the fields of preventative dentistry and implant prosthodontics and presented at both local and international conferences.
