

An evening with Dr. Koka

Leading your practice to success: Overcoming what keeps you up at night

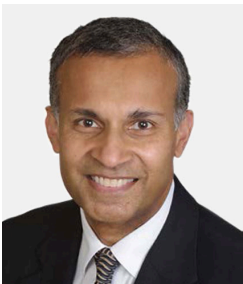

Thursday, October 10th, 2024 | Registration/Dinner 5 pm - 6 pm, Presentation 6 pm - 9 pm
3 CE Credit | Northern Hotel, 19 North Broadway, Billings, MT 59101

Join Dr. Sreenivas Koka, DDS, MS, PhD, MBA, MAS, FACD for his presentation 'Overcoming what keeps you up at night'. During the evening, you will identify what success means for your practice, and how to overcome some of the day-to-day pressures of running a practice.

Dr. Koka will also share some of his clinical experiences on when is the right time for your practice to accommodate new procedures and technologies, advancing the care you provide patients. Together you will evaluate the positives of working with a simplified implant design and prosthetic platform, whilst considering how innovative treatment concepts and solutions such as intraoral scanners, and implant stability measurement devices, can not only benefit the clinician but also provide increased predictability and comfort for the patient.

- ✓ Define success for your practice: What does it look and feel like? How do you measure it?
- ✓ Describe why and how to add new procedures and technology to your practice
- ✓ Identify how to deal with the things that keep you up at night

This FREE evening presentation is open to all dental professionals and office team members.
